We are Preston Farms Fundraising, located in sunny Palmyra, Indiana, making special popcorn products so you can raise money for your non-profit group. We grow, pack and ship delicious popcorn all over the U.S. and export to 20 countries world-wide.

From sun up to sun down we watch our tender corn grow and pick it at its peak, ready for your fundraising sales. Preston Farms has been manufacturing delicious popcorn since 1936.

Founded in 1936 as Gettelfinger Popcorn Co., Preston Farms purchased the plant in 1995 and has since taken it to the next level of creative popcorn products.

3. GMO or Non-GMO statement
The ASAP popcorn line is a Non-GMO product. There are no preservatives in the microwave popcorn - all ingredients are natural. We are using palm oil rather than partially hydrogenated. We can provide a non-GMO statement from our oil manufacturer if that would be helpful. We have exported similar formulation to EU countries without incident and they are very strict on this issue.

4. Confirmation of HACCP Plan
We currently have only one critical control point which is metal detection. We do metal detection and the plan/process is on file in our office.

5. Copy of last food audit
Indiana State Department of Health Food Protection Program statement 3/20/09 attached.
Indiana Department of Natural Resources Pytosanitary Inspection of Grain Facilities 2/20/09 attached.
